At Conuma, we're proud to call the North home — a place where rugged landscapes, rich coal seams, and strong communities come together.

Our mines don't just fuel progress; they help power adventure. From sponsoring local recreation events to lending a hand behind the scenes, we're proud to support the outdoor groups and volunteers who make our region a destination for exploration.

Together, we're keeping the North vibrant, wild, and welcoming.

Years
ANNIVERSARY

2026 marks the 10th anniversary of Conuma Resources. We value our relationships with Indigenous Nations, the District of Chetwynd, and partners across the region. Working together, we remain committed to supporting local communities, shared opportunities, and long-term collaboration.

Membership

Membership in the Chetwynd Chamber of Commerce is open to business owners, organizations, and individuals who want to see Chetwynd grow and succeed. When you join, you become part of a network that works together to strengthen our local economy and support one another.

The Chamber serves as the voice of business, advocating for your interests at the municipal, provincial, and federal levels.

We operate as a non-profit organization led by a volunteer board of directors and funded primarily through membership dues. Your investment directly supports the work we do on behalf of the business community.

Each November, we host our Annual General Meeting. This is your opportunity to stay informed, share your perspective, and help shape the direction of the Chamber.

Chetwynd Chamber of Commerce

Message from The President

Carl Rose
President

Welcome to everyone from the Chetwynd Chamber of Commerce. Our Chamber has been involved in the community for many years and continues to thrive with the Chetwynd community.

The 2026 business directory and community resource guide has been put together to assist newcomers as well as long-time residents with finding the services that are provided here in Chetwynd and surrounding area.

In today's day and age, it is even more important for our businesses to work together. The economic environment is different now and it is more important

than ever that we support the work of our members locally and advocate for them.

Our business community works hard to provide goods and services for this area and provide healthy living for the people who live here. We as a Chamber, continue to represent the area with the BC and Canadian chambers of commerce and advocate for our businesses with local, provincial and federal governments to make sure we are not forgotten.

The Chamber is involved in many local events over the year, the Trade Show in the spring, the Harvest Festival in the fall, Business Excellence Awards and helps with many other community events. The business directory is another one of the things we do and want to thank everyone for their continued support of this project.

We live in a very beautiful part of Canada and it is important that our local businesses can grow, can diversify and that their families can continue to make a living in this area as we strive to be #1.

On behalf of the board of directors and our executive director Naomi Larsen, we would like to thank you for stepping up, Shopping Local and Supporting Chetwynd Businesses.

Chamber of Commerce *History*

Since 1959, the Chetwynd Chamber of Commerce has proudly served the community, laying the foundation for its growth and development. The first Board of Directors and Executive comprised dedicated long-time residents, including Frank Oberle, James Merchant, Joe Engelman, Ernie Pfanner, Norm Stirling, Eugene Embree, Emil Breitreitz, Paul Anderson, Jim Ashdown, Alex Daniluck, and Father Emile Jungluth.

Under their leadership, the Chamber achieved significant milestones, most notably the incorporation of Chetwynd as a village in 1962. They also played a pivotal role in establishing essential community infrastructure, including a Water Works District, the community's first newspaper (The Chinook), a fire department, a hospital, an airport, and improved housing.

PEACE CANYON DAM

Also located on the mighty Peace River. Plunging from the Rocky Mountain Trench to the Mackenzie River system and the Arctic Ocean. Visit the viewing deck where you can take photos and educate yourself on the dam and its history. Ph: 250-783-8410

Hike *or Bike*

Take a hike of Mt. Baldy! If hiking or biking is your passion, and pick up your copy of the Green Space Hiking Trail Map, with many kilometres of trails for all skill levels!

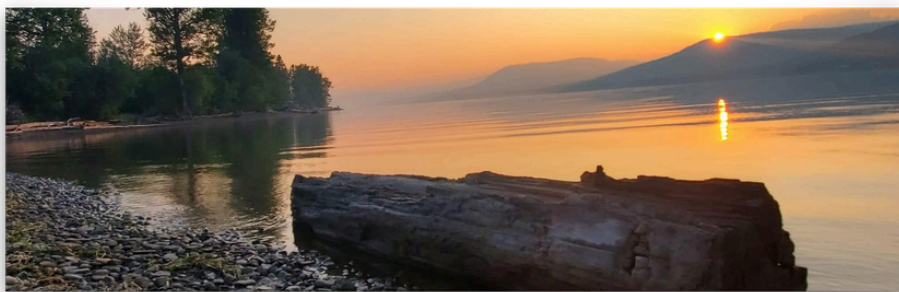

Moberly Lake

Nestled within a picturesque boreal forest, Moberly Lake is a serene, long, and narrow body of water that attracts visitors from near and far. Each winter, the lake transforms into a frozen wonderland, offering year-round activities such as camping, ice fishing, and exhilarating snowmobile adventures.

On the southern shore of the lake lies Moberly Lake Provincial Park, a tranquil retreat situated at the meeting point of the Rocky Mountain foothills to the west and the Peace Plateau to the east. Visitors can take a leisurely stroll along the lakeshore, relax on a bench to soak in breathtaking sunsets, and listen to the haunting calls of loons or watch for bald eagles soaring overhead. Dive into the lake for a refreshing swim or try your hand at fishing for Arctic Grayling, Northern Pike, BC Trout, and Lake Whitefish.

Conveniently located just 27 kilometers northwest of Chetwynd along Highway 29, Moberly Lake offers the perfect escape for nature lovers and outdoor enthusiasts alike.

Cameron Lake

Situated on the north shore of Cameron Lake, just 41 kilometers from Chetwynd along Highway 29N, this scenic spot is a local favorite for summer swimming. One of the few lakes in the area offering excellent swimming conditions, Cameron Lake provides a peaceful and serene escape, thanks to its restriction on motorized vessels.
