Chetwynd Chamber of Commerce Message from the President

Angela Balkwill President

Hello and greetings from the Chetwynd Chamber of Commerce!

The Chetwynd Chamber of Commerce respectfully recognizes that we are situated on beautiful Treaty 8 territory. We are fortunate to work and live on Treaty 8 traditional lands and gain knowledge of Indigenous cultures throughout the South Peace Region.

The Chetwynd Chamber of Commerce is a proud supporter of all local economic, social, and environmental sustainability. Our organization plays an integral part in the business community through promotion of local businesses and services.

The Chetwynd Chamber of Commerce supports local businesses in several ways including hosting business networking events, producing a monthly newsletter promoting events and services happening within the area, and promoting local business and community events through social media.

The Business Directory and Community Resource Guide is a resourceful document that helps to promote local businesses and organizations and assists locals and newcomers in learning about services within our community.

Over the past year our local business community has been emerging from the effects of the pandemic and some are still striving to adjust to the new normal.

The Chetwynd Chamber of Commerce is here to provide support as our community grows stronger and more resilient every day. We are looking forward to the future and the success of our members.

Chamber of Commerce History

The Chetwynd Chamber of Commerce has served the community since 1959. The first Board of Directors and Executive were long-time residents Frank Oberle, James Merchant, Joe Engelman, Ernie Pfanner, Norm Stirling, Eugene Embree, Emil Breitkreitz, Paul Anderson, Jim Ashdown, Alex Daniluck, and Father Emile Jungluth.

The first Chamber of Commerce achieved many notable successes, including the incorporation of Chetwynd as a village in 1962.

The Chamber of Commerce was also instrumental in the establishment of a Water Works District, the first newspaper (the Chinook), a fire department, hospital, airport and improved housing.

Hike or Bike

Take a hike of Mt. Baldy! If hiking or biking is your passion, visit the Chetwynd Visitor Centre and pick up your copy of the Green Space Hiking Trail Map, with many kilometres of trails for all skill levels!

Moberly Lake

Moberly Lake, a long and narrow body of water encircled by a typical boreal forest, is a popular getaway for residents and non-residents alike. The lake freezes over each winter and provides wonderful year-round activities that range from camping to ice fishing to snowmobile fun.

Moberly Lake Provincial Park is situated on the southern short of the lake which is set on the boundary between the Rocky Mountain foothills to the west and the Peace plateau to the east. Enjoy a leisurely stroll along the lakeshore and pull up a bench to watch the sunset. While you are there, take time to listen to the loons or look up for bald eagles. Head down the lake for a swim or test your luck fishing for Arctic Grayling, Northern Pike, BC Trout and Lake Whitefish.

Moberly is located 27 kilometers northwest of Chetwynd along Highway 29.

Cameron Lake

Located on North Cameron Lake beach 41 km from Chetwynd on Hwy 29N, Cameron Lake is one of the few lakes that offers good swimming during the summer months. A favourite for locals, it does not allow motorized vessels, so provides a more relaxed and tranquil atmosphere.
